1. About RiskTech Insurance Brokers Limited

RiskTech Insurance Brokers Limited is a limited liability company duly registered with the Corporate Affairs Commission (CAC) in July 2024 under Registration Number RC 7685222. Licensed by the National Insurance Commission (NAICOM) under Licence No. 1271, valid from 20 April 2026 to 19 April 2031, the company was established to provide professional insurance brokerage services to individuals and businesses across Nigeria and internationally.

RiskTech carries professional indemnity insurance cover of ₦100,000,000, well above the minimum required of insurance brokers, and operates in full compliance with the requirements of The Nigeria Insurance Industry Reform Act (NIIRA) 2025.

Our principal business is insurance broking: providing quality, effective and personalised service to insurance buyers across every sector of the economy. Our duty is to deliver tailor-made insurance policies by negotiating with insurance companies for reasonable rates and flexible terms and conditions, enabling clients to pay as little as possible for the best available cover.

RiskTech serves clients locally and internationally, operating 24 hours a day, seven days a week, so that clients have access to expert advice and support whenever they need it. We use technology to enhance service delivery and streamline operations, ensuring efficiency and cost-effectiveness in everything we do.

WHY CHOOSE RISKTECH	
Expert Brokerage	We act as professional intermediaries between our clients and insurance companies, ensuring you receive the best possible coverage at the most competitive rates.
Technology-Driven	We use digital tools and platforms to make insurance accessible, transparent and easy to manage for every client.
Personalised Service	We believe every client is unique. Our dedicated Client Service Executives work closely with you to understand your specific needs and craft tailor-made solutions.
Claims Support	We handle the entire claims process on your behalf, from notification to settlement, ensuring you receive what you are rightfully owed, promptly and fairly.
Regulatory Compliance	As a NAICOM-licensed and CAC-registered firm, we operate strictly within the legal and ethical frameworks of the Nigerian insurance industry.
24/7 Availability	Our commitment to client service means we are always available: no holidays, no downtime, serving clients worldwide around the clock.

2. Mission, Vision C Core Values

OUR MISSION

To provide comprehensive insurance solutions tailored to the needs of businesses and individuals across Nigeria. We aim to become a trusted partner in risk management by offering innovative products, excellent customer service and expert advice.

OUR VISION

To emerge as a leading player in the Nigerian insurance market, known for our integrity, reliability and commitment to client satisfaction, using technology to enhance service delivery and streamline operations for greater efficiency and cost-effectiveness.

OUR CORE VALUES

Integrity

We uphold the highest standards of honesty, transparency and ethical behaviour in every interaction with clients, insurers and partners.

Client Focus

Our clients are at the heart of everything we do. We listen, we understand, and we deliver solutions that genuinely serve their best interests.

Professionalism

Our team of experts maintains rigorous professional standards, continuous learning and compliance with all regulatory requirements.

Innovation

We embrace technology and creative thinking to continually improve our services, making insurance more accessible and more efficient.

Reliability

Clients depend on us. We deliver on our promises, on time, every time, and especially when it matters most during a claim.

Excellence

We pursue excellence in every aspect of our operations, from client onboarding to claims settlement, never settling for less than the best.

UNIQUE VALUE PROPOSITION

We provide personalised insurance brokerage services designed to address the unique risks faced by individuals and businesses in Nigeria. We use our industry knowledge, our technology and our insurer relationships to ensure that clients obtain the right coverage at a fair price. We are committed to transparency, to handling claims properly, and to helping clients manage their risks so that they can enjoy genuine peace of mind.

4. Our Objectives C Goals

Primary Objective

To build a respected insurance brokerage firm that delivers practical, tailored insurance solutions supported by genuine customer service and sound financial management. We aim to build lasting relationships with our clients by giving honest advice and conducting ourselves with integrity at all times.

STRATEGIC GOALS

1.	**Insurance Inclusion**	Provide insurance solutions to consumers across all sectors of the Nigerian economy, driving insurance penetration beyond its current rate of under one per cent.
2.	**Human Capital Excellence**	Recruit young, dynamic, highly motivated and professionally trained individuals who embody RiskTech's values and advance our corporate objectives.
3.	**Client Base Growth**	Build a strong and diverse client base of corporate entities, SMEs, government agencies and high-net-worth individuals.
4.	**Customer Intimacy**	Pursue a culture of customer intimacy and meritocracy that creates a genuine spirit of partnership with both investors and staff.
5.	**Satisfactory Returns**	Earn satisfactory returns on assets and investments within safe corridors of minimal risk exposure and prudent liquidity management.
6.	**Technology Integration**	Invest in technology to promote the sale of insurance products and services, including mobile insurance through digital platforms.
7.	**Regulatory Compliance**	Adhere to all regulations and guidelines pertaining to our operations, ensuring full compliance with NAICOM and industry standards.
8.	**Corporate Responsibility**	Engage in Corporate Social Responsibility projects in the communities where we operate, contributing positively to Nigerian society.

VALUE DISCIPLINE: CUSTOMER INTIMACY

Our Client Service Executives spend whatever time is required to understand which policy or policies will best enhance each client's value. We provide personalised treatment, building and maintaining strong, trust-based relationships through consistent and reliable service. We are forward-thinking in identifying client needs, and we offer continuous support and advice to improve the insurance experience.

The concept of one size fits all is not embraced at RiskTech. Regional coordinators develop strategies suited to the particular needs of each market segment, ensuring that every client receives a solution that genuinely fits their circumstances.

10. Claims Administration Process

At RiskTech we understand that a claim is the moment of truth, the ultimate test of insurance value. Our dedicated claims team manages the entire process on behalf of our clients, ensuring fair, prompt and professional settlement.

STEP 1	**Notification**	On notification of a loss, our team immediately notifies the underwriter and provides the client with a claims form. We review the claim against the policy to verify coverage, insured perils and premium payment status.
STEP 2	**Registration**	The underwriter registers the claim on receipt of the notification and assigns a reference number, which is communicated to the broker and client for tracking purposes.
STEP 3	**Documentation**	Our team compiles and submits all documentation required for the relevant class of insurance claim, ensuring completeness and accuracy to avoid delays in processing.
STEP 4	**Assessment**	We liaise with loss adjusters and surveyors as required, reviewing their reports and advocating for a fair assessment of the client's loss or damage.
STEP 5	**Follow-Up**	We actively follow up with insurers to ensure prompt processing, escalating where necessary and keeping the client informed at every stage.
STEP 6	**Settlement**	On approval, we verify the settlement offer, negotiate where appropriate, and facilitate prompt payment to the client so that they receive their rightful compensation.

THE BROKER'S PROFESSIONAL OBLIGATIONS

As a NAICOM-licensed insurance broker, RiskTech undertakes the responsibility of advising on, recommending and arranging insurance cover. We are deemed in law to possess the necessary professional and technical knowledge of the relevant classes of insurance, and our brokers are expected to act with the skill, care and diligence consistent with the highest conduct standards of the profession.

We are legally and professionally obliged to provide impartial advice to our clients on appropriate insurance covers and premiums. We place our clients' interests first in all dealings, using our market position to secure the best possible terms on their behalf. All our operations are fully compliant with the NIIRA 2025 and NAICOM's regulatory framework.

11. Leadership Profiles

RiskTech Insurance Brokers Limited is led by a team of experienced professionals whose expertise spans insurance, finance, operations, business development and technology. Our leadership is committed to driving the company's vision and delivering exceptional value to every client and partner.

Olowosuna-Davies Adamoh Yetunde

Chairman

Alhaja Olowosuna-Davies Adamoh Yetunde is a seasoned business executive and civil servant with a distinguished career spanning more than 25 years of public service in Lagos State.

She holds a Higher National Diploma (HND) in Business Administration from Lagos State Polytechnic, Lagos, and is a Chartered Member of the Institute of Public Service of Nigeria, a testament to her professional standing and her commitment to excellence in governance and administration.

Alongside extensive experience in public sector management, she has developed significant expertise in the distribution and large-scale sale of general consumables across Nigeria, giving her a balanced perspective that bridges public sector discipline with private sector dynamism.

As Chairman of RiskTech Insurance Brokers Limited, she provides strategic leadership, corporate governance oversight and stakeholder direction. Her vision is to position RiskTech as a trusted and transformative force in Nigeria's insurance industry.

Taiwo Morufat Abosede
Director

She is an associate member of the Chartered Institute of Bankers of Nigeria (CIBN) and brings extensive professional experience spanning insurance, financial planning and sales leadership across some of Nigeria's most reputable organisations.

Her career includes service as Senior Financial Advisor at Consolidated Hallmark Insurance, Retail Sales Executive at Allianz Insurance Nigeria PLC, and Financial Planner at Cornerstone Insurance PLC. Earlier in her career she served as Sales Manager at Abimbola & Sons Bakery, where she demonstrated strong leadership in building high-performing teams and driving revenue growth.

As Director of RiskTech Insurance Brokers Limited, Taiwo is responsible for the company's leadership, administrative functions and business development strategy. Her proven record of turning businesses around for higher productivity and profitability is a critical asset as RiskTech scales its operations and market presence.

OCHEME PATRICK OTIEKWU

Managing Director

Ocheme Patrick Otiekwu is a seasoned insurance professional with over 16 years of experience across underwriting, claims management, risk assessment, loss adjustment, reinsurance, technical operations and insurance brokerage. He holds a B.Sc. in Actuarial Science and a M.Sc. in Insurance and Risk Management from the University of Lagos, and is an Associate of the Chartered Insurance Institute of Nigeria (ACIIN).

Throughout his career, Patrick has held several technical and leadership positions across reputable organisations within the Nigerian insurance industry, including Colenson Brokers Nigeria Limited, Venus Loss Assessors Nigeria Limited, Heirs General Insurance Limited, Coronation Insurance Plc, NSIA Insurance Limited and Consolidated Hallmark Insurance Plc. His professional experience encompasses general insurance underwriting, institutional and complex claims management, pre- and post-loss risk assessment, reinsurance, policy analysis, risk improvement, claims negotiation and recovery, as well as client and stakeholder relationship management.

He has also developed specialised experience across Energy & Oil/Gas, Aviation, Marine and other technical and commercial insurance risks, with significant exposure to risk evaluation, underwriting, facultative reinsurance placement, policy review, claims assessment and settlement. His career progression through underwriting, claims, risk inspection, loss adjustment and brokerage has provided him with a broad understanding of the insurance value chain and the technical considerations involved in delivering effective insurance solutions.

Prior to his current role, Patrick served as General Manager (Technical) at Colenson Brokers Nigeria Limited, where he provided technical leadership, reviewed policy terms and coverage, engaged with insurers on risk placement and negotiations, supported complex claims and led technical teams. He also served in senior claims and risk-management roles at Venus Loss Assessors Nigeria Limited, Heirs General Insurance Limited and Coronation Insurance Plc, building extensive experience in claims adjustment, loss assessment, risk improvement and client service.

As Managing Director of RiskTech Insurance Brokers Limited, Patrick provides strategic, technical and operational leadership, drawing on his extensive industry experience to strengthen the Company's professional service delivery, risk advisory capabilities, client relationships and sustainable business growth. His combination of technical insurance expertise, leadership experience and broad industry exposure supports RiskTech's commitment to delivering professional, responsive and effective insurance and risk-management solutions to its clients.

Afiawari Charles
Head of Operations

Afiawari Charles holds a Bachelor of Science degree in Insurance from the University of Lagos (UNILAG) and is a Professional Student Member of the Chartered Insurance Institute of Nigeria (CIIN), with the CIIN professional qualification in view.

He began his career in the insurance industry at the Nigerian Council of Registered Insurance Brokers (NCRIB), where he served as Membership and Insurance Operations Officer before taking on the role of Public Relations and Social Media Officer. In those positions he managed correspondence relating to Associate Chartered Insurance Broker (ACIB) membership applications, coordinated group life and property claims on behalf of the Council, liaised with beneficiaries and brokerage firms to compile and verify claims documentation, and maintained the Council's records, filing systems and membership registers.

His experience also spans corporate communications and stakeholder engagement, including the development of insurance education content, media coverage of Council events and conferences, and public awareness campaigns aimed at deepening insurance penetration in Nigeria. He is a Certified Digital Marketer.

Charles was awarded Overall Best Student in Insurance at Federal Government College, Ijanikin, Lagos, and placed second highest nationwide in WAEC Insurance.

As Head of Operations at RiskTech Insurance Brokers Limited, he oversees day-to-day operational delivery, claims administration, records management and client service standards, bringing direct experience of industry-level operations to the firm.

Olowosuna Fathiu Olatubosun

Head of Information Technology

Olowosuna Fathiu Olatubosun is a technology professional based in Lagos, Nigeria. He holds a Bachelor of Science degree in Computer Science and works across web development, mobile applications, cybersecurity and digital product design.

As Head of Information Technology, Fathiu built and manages RiskTech's entire digital presence. He designed and developed the company website from the ground up: a multi-page application with intelligent quote forms, online claims submission, email integration, security hardening and downloadable company documents.

His conviction is straightforward: every serious financial services company should have solid digital infrastructure. He is working to make RiskTech's online presence one that genuinely serves clients and builds trust.

Beyond writing code, Fathiu pays close attention to how things look and feel, ensuring that RiskTech's digital presence reflects the company's professionalism. He continues to develop mobile applications, marketing materials and automation tools for the company.

12. Our Technology C Digital Strategy

RiskTech is committed to using technology to serve clients better. We believe that strong digital tools are no longer optional for any serious insurance firm.

Professional Web Platform	Our custom-built website at www.risktechinsurance.com serves as a 24/7 digital branch, allowing clients to explore all 30 or more insurance products, request quotes, submit claims and download our company profile, from any device, anywhere in the world.
Smart Quote System	Our intelligent quote form pre-populates the insurance type based on client selection and dynamically displays the fields relevant to each product category, from vehicle details for motor insurance to cargo specifications for marine cover, creating a seamless and professional user experience.
Online Claims Submission	Clients can submit claims online through our dedicated claims portal, with automatic email notifications sent to our claims team for immediate follow-up, ensuring that no claim is delayed or missed.
Integrated Enquiry Routing	All client enquiries and claim notifications are automatically routed to the company inbox in real time, ensuring that every lead is captured and every client receives a prompt response.
Security Architecture	Our digital infrastructure incorporates input sanitisation, honeypot anti-spam protection, rate limiting, file-type validation and upload size controls, protecting both the company and its clients from digital threats.
Mobile-First Design	All digital platforms are built with a mobile-first approach, ensuring a seamless experience across smartphones, tablets and desktop computers, which is critical for reaching Nigeria's predominantly mobile internet users.
Search Visibility	Our website is optimised for search engines with canonical tags, Open Graph metadata and fast build configurations, ensuring that RiskTech is discoverable by clients searching for insurance solutions online.
Future Digital Roadmap	RiskTech's technology roadmap includes mobile application development, CRM system integration, client portal development and digital marketing automation, positioning the company as a genuine InsurTech pioneer in the Nigerian market.

13. Marketing C Business Strategy

Target Market

RiskTech's target market spans all sectors of the Nigerian economy and beyond. Our client base includes individuals, small and medium enterprises, large corporations, government agencies and international organisations operating in Nigeria. Our market is strategically divided into three regions, Head Office (Lagos), North and South, for effective research and service delivery.

MARKETING CHANNELS & TOOLS

Digital Marketing	An active presence on Instagram, with regular posts on our services, client testimonials, insurance tips and industry news. Targeted paid social media advertising and search engine marketing are used to reach specific demographics, and further social channels will be added as our digital presence grows.
Professional Materials	Professionally designed brochures, proposals, leaflets, company profiles and marketing presentations. Application letters accompanied by board and management profiles and tailored insurance proposals are sent to targeted individuals and organisations.
Networking & Partnerships	Active participation in industry conferences, seminars and networking events. Strategic partnerships with businesses, professional associations and community organisations build trust, credibility and mutual referral networks.
Referral Programme	A structured incentive programme that rewards existing clients for referring new ones, alongside partnership agreements with complementary businesses for mutual referrals and co-marketing opportunities.
Digital Presence	A fully optimised professional website serving as a 24/7 marketing tool, showcasing all products, generating quote requests and converting visitors into clients through seamless user experience design.
Media & Public Relations	Coordinated publicity in newspapers, magazines and online media to enhance visibility. Industry seminars, webinars and thought leadership content establish RiskTech as a credible authority in insurance brokerage.

PRICING & FINANCIAL POLICY

Insurance transactions at RiskTech operate on a No Premium, No Cover basis. We ensure that our clients pay the most reasonable premium possible for the maximum available cover, so that they are fully compensated in the event of any mishap.

Our pricing policy conforms to the NIIRA 2025, the NAICOM code of conduct and the ethics of the profession. Investment income is expected to be earned on funds held in fixed deposits at competitive rates. All financial operations are managed with strict internal controls and full regulatory compliance.

14. Workforce, Culture C Human Capital

At RiskTech our people are everything. The quality of our team directly affects the quality of service our clients receive, and we take that seriously.

OUR PEOPLE PHILOSOPHY

Talent Acquisition	We recruit young, dynamic, highly motivated and professionally trained individuals who demonstrate not only technical competence but also the personal values of integrity, diligence and client-centricity that define the RiskTech brand.
Continuous Training	Regular, structured training programmes keep all personnel updated on industry trends, regulatory changes, product innovations and technology advancements, ensuring that our team always operates at the highest professional level.
Performance Culture	Compensation policies are structured with meaningful incentives designed to drive performance and reward excellence. Remuneration for each grade is carefully calibrated to attract and retain strong talent while meeting attainable performance benchmarks.
Client Service Excellence	Each Client Service Executive is assigned a manageable portfolio of clients, ensuring personalised attention and genuine relationship-building. Our managing director actively participates in client engagement, reinforcing our culture of accountability at the highest level.
Regional Presence	Our team is organised across three strategic regions, Head Office (Lagos), North and South, with dedicated Customer Relationship Officers coordinating regional activities to ensure consistent service quality nationwide.
Meritocracy	We believe in a meritocratic culture in which performance, results and integrity are the basis for recognition and advancement. Every team member has a clear pathway to grow within the organisation based on their contribution and capability.

OUR WORKPLACE COMMITMENT

- A safe, inclusive and professional working environment for all team members
- Equal opportunity employment regardless of gender, religion or background
